Notice of Annual General Meeting ('AGM') to be held on 29 October 2020

In light of the evolving Coronavirus (Covid-19) situation and in view of current Government guidance on public gatherings **we would encourage you not to attend in person and to appoint a proxy** online or by post (or via CREST) to vote on your behalf. We will keep Government guidance in this area under review (and we will also monitor whether the Government extends the period, for which it has currently authorised companies not to permit attendance in person at AGMs, beyond 30 September 2020). The Board may decide to postpone or adjourn the AGM to a later date if, for instance, our meeting venue becomes inaccessible. We will notify our shareholders of any changes to the AGM arrangements in the usual way and recommend that you look out for updates on the Company's website (Investors section) at www.filtronic.com.

5. Directors' authority to allot shares (Ordinary Resolution)

That, in substitution for all subsisting authorities, the directors be generally and unconditionally authorised, in accordance with section 551 of the Companies Act 2006 (the "Act"), to exercise all powers of the Company to allot ordinary shares of 0.1p each in the capital of the Company or grant rights to subscribe for, or convert any security into, ordinary shares of 0.1p each in the capital of the Company:

- (a) up to an aggregate nominal amount of £71,299; and
- (b) up to a further aggregate nominal amount of £71,299 provided that: (i) such shares or rights are equity securities (as defined in section 560 of the Act); and (ii) they are offered by way of a rights issue or open offer (or similar offering) to the holders of ordinary shares in proportion (as nearly as may be practicable) to their existing holdings of ordinary shares (and to the holders of other equity securities if this is required by the rights of those securities or, if the directors consider it necessary, as permitted by the rights of those securities), but subject to the directors having the right to make such exclusions or other arrangements as they deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal or practical problems under the laws in any territory or jurisdiction, the requirements of any relevant regulatory body or stock exchange or any other matter;

and so that this authority shall expire on 31 December 2021 or, if earlier, at the conclusion of the annual general meeting of the Company to be held in 2021 but so that the Company may, before this authority expires, make any offer, agreement or arrangement which would or might require shares to be allotted or rights to be granted after such expiry and the directors may allot shares or grant rights pursuant to such offer, agreement or arrangement as if the authority had not expired.

6. Disapplication of statutory pre-emption rights (Special Resolution)

That, subject to the passing of resolution 5, the directors be generally empowered pursuant to section 570 of the Companies Act 2006 (the "Act") to allot equity securities (as defined in section 560 of the Act) for cash pursuant to the authority conferred by resolution 5 as if section 561 of the Act did not apply to the allotment but this power shall be limited to:

- (a) the allotment of equity securities where such securities have been offered (but in the case of the authority granted under paragraph (b) of resolution 5 by way of rights issue or open offer (or similar offering) only) to holders of ordinary shares in proportion (as nearly as may be practicable) to their existing holdings of ordinary shares (and to the holders of other equity securities if this is required by the rights of those securities or, if the directors consider it necessary, as permitted by the rights of those securities) but subject to the directors having the right to make such exclusions or other arrangements as they deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal or practical problems under the laws in any territory or jurisdiction, the requirements of any relevant regulatory body or stock exchange or any other matter; and
- (b) the allotment of equity securities, otherwise than pursuant to the power granted under paragraph (a) of this resolution, up to a maximum nominal amount of £21,389;

and so that this power shall expire on 31 December 2021 or, if earlier, at the conclusion of the annual general meeting of the Company to be held in 2021 but so that the Company may, before this power expires, make any offer, agreement or arrangement which would or might require equity securities to be allotted after such expiry and the directors may allot equity securities pursuant to such offer, agreement or arrangement as if this power had not expired.

Explanatory Notes on the Resolutions

Resolutions 1 to 5 are proposed as ordinary resolutions. This means that for each of the resolutions to be passed, more than half of the votes cast must be cast in favour of the resolution. Resolution 6 is proposed as a special resolution. For a special resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

(1) Report and Accounts (Resolution 1)

The directors are required to present to the meeting the audited accounts and the reports of the directors and the auditor for the financial year ended 31 May 2020. The annual report and accounts are available on the Company's website.

(2) Directors (Resolutions 2, and 3)

Resolution 2 relates to the election of Richard Gibbs. We announced the appointment of Richard as our new CEO on 4 August 2020 (and the formal start date for Richard in that role of 1 September 2020) following a selection process involving external recruitment consultants. Under the Company's articles of association, a director so appointed holds office only until the next annual general meeting. Richard is an experienced director who has led multi-functional teams in the semiconductor, RF and electronics subsystems sectors. During a 37-year career in the electronic industry Richard spent 20 years with Honeywell in a variety of international roles culminating as VP GM of Honeywell Sensing & Control Division. Richard was a member of the Executive team at E2V PLC from 2007 to 2016 where his responsibilities included President of both RF Product and Hi-Rel Semiconductors Divisions. Prior to joining Filtronic Richard was Managing Director of Micross Components Ltd.

Resolution 3 relates to the re-election of Reg Gott, who is chairman of the board of directors. Following the resignation of the previous CEO in October 2019, Reg stepped in as Executive Chairman. He resumed his role as non-executive Chairman following the appointment of Richard Gibbs to the Board. Reg has extensive board level experience as chief executive and held executive director positions on a number of engineering companies including FKI plc, Resource Group and Nuaire Group. As Reg has served on the board of directors for over three terms of three years, he is, in accordance with best practice, subject to annual re-appointment. Reg is chair of the nominations committee and is a member of both the audit and remuneration committees. Biographical details for Reg can be found in the corporate governance section of the 2020 annual report and accounts.

(3) Appointment of auditor and auditor's remuneration (Resolution 4)

The resolution proposes the re-appointment of PricewaterhouseCoopers LLP and, in accordance with standard practice, gives authority to the directors to determine the remuneration to be paid to the auditor.

(4) Renewal of directors' power to allot shares (Resolutions 5 and 6)

Resolution 5 – The Act provides that the directors may not allot ordinary shares (or grant rights to subscribe for, or to convert any security into, ordinary shares) unless authorised to do so by the Company in general meeting or by its articles. This resolution proposes that the directors are given authority to allot ordinary shares (or grant rights to subscribe for, or convert any security into, ordinary shares) up to an aggregate nominal amount of £71,299 without obtaining further consent of the Company's shareholders. This is the equivalent of one-third of the issued ordinary share capital as at 4 August 2020, the latest practicable date before publication of this notice. The authority will expire at the earlier of the close of the 2021 annual general meeting and 31 December 2021 and will replace the authority granted to the directors at last year's annual general meeting.

In addition, the proposed new authority will allow the directors to allot new shares and other relevant securities in connection with a rights issue up to a further aggregate nominal value of £71,299, equivalent to one-third of the Company's issued ordinary share capital as at 4 August 2020, the latest practicable date before publication of this notice. Once this resolution is passed the directors will have the authority in certain circumstances to allot new shares and other relevant securities up to a nominal amount of £142,598 representing a total amount equal to two-thirds of the Company's issued ordinary share capital.

The directors have no present intention of allotting, or agreeing to allot, any shares (or of granting or agreeing to grant, any applicable subscription or conversion rights) otherwise than in connection with the Company's employee share schemes, to the extent permitted or required by such schemes.

Resolution 6 – The Act gives holders of ordinary shares, with limited but important exceptions, certain rights of pre-emption on the issue for cash of new equity securities. The directors believe that it is in the best interests of the Company that the board of directors should have limited power to allot some equity securities for cash without first having to offer such equity securities to existing shareholders. The directors' present authority, currently limited to rights issues (and similar offerings) and to allotments up to a nominal value of approximately 10% of the issued ordinary share capital of the Company, expires at the 2020 annual general meeting.

This resolution seeks to renew this authority, subject to that same 10% limit that the Pensions and Lifetime Savings Association considers appropriate for an AIM company, for a further period, expiring at the earlier of the close of the 2021 annual general meeting and 31 December 2021. The power, if granted, will relate to allotment in respect of rights issues and similar offerings (where difficulties arise in offering shares to certain overseas shareholders and in relation to fractional entitlements and certain other technical matters) and generally to allotments (other than in respect of rights issues and similar offerings) of equity securities having an aggregate nominal value not exceeding £21,389 (representing approximately 10% of the issued ordinary share capital of the Company). The board of directors has no present intention of exercising this power but wishes to have the flexibility to do so in the future.

Recommendation from the directors of the Company

The directors of the Company consider that all the resolutions set out above are in the best interests of the Company and its members as a whole and are likely to promote the success of the Company for the benefit of its members as a whole. **The directors unanimously recommend that you vote in favour of all the resolutions, as they intend to do in respect of their own beneficial holdings.**
